

*Week 7*

*Dear Family,*

*What a great place I am visiting! Ancient rulers built this place to stop invaders from the north. It was built over 2,200 years ago. Its original length was over 4,000 miles.*

*Many slaves and prisoners helped build this place. It is so big you can see it from outer space with the naked eye.*

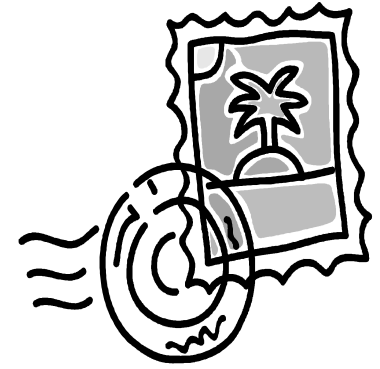

*Today a lot of tourists come here. As this place has a gate right into the city of Beijing, many Olympic Games visitors like me will visit here this week.*

*It is quite a breath taking view from this incredible structure that is so full of history. Can you guess where I am?*

*Yours Truly,*
